Dear Sir:

I would like to play your team here in Durham July 9th, a night game, for an all State affair, and the players will participate in it from all over the state. This will draw from three to six thousand people, and the admission will be eight five cents. I would like to hear from you at ^{once} by telegram concerning this.

Yours truly,

Douglas Gordan

P. S. If you find that you will be unable to play me I would appreciate it very much if you could contact me with the Philadelphia stars.

*Unable to get you on phone - Telephone
or wire me Terms for Eagles July 9th
Can play the game if terms are satisfactory
